

- **Name:** Huy Huu Nguyen
  
- **Current Position:** Quality Control Lab Technician, University Medical Center Ho Chi Minh City
  
- **Country:** Vietnam
  
- **Educational Background:**
  - BS of Sciences in Biological, Vietnam National University Ho Chi Minh City - University of Science, Vietnam (2013)
  - MS of Sciences in Biotechnology, Vietnam National University Ho Chi Minh City - University of Science, Vietnam (2016)
  
- **Professional Experience:**
  - Laboratory quality control (Quality control and quality assurance)
  - Certificate in Lean-Six Sigma, ISO 15189
  - Molecular biology techniques: Realtime-PCR, Sequencing, Sars-CoV-2 Screening,...
  - Research in Molecular biology, Quality management, Clinical tests,...
  
- **Professional Organizations:**

University Medical Center (UMC) Ho Chi Minh City, Ho Chi Minh City  
University of Medicine and Pharmacy.
  
- **Main Scientific Publications:**
  - Nguyen Huu Huy, Le Minh Khoi, Nguyen Thi Bang Suong, Nguyen Hoang Bac, Study on HPV prevalence and distribution of HPV types in patients at University Medical Center Ho Chi Minh City, *Ho Chi Minh City Journal of Medicine*, 2021, 25 (1): p270 – 274.
  - Nguyen Thi Bang Suong, Bui Huu Hoang, Nguyen Huu Huy, Nguyen Hoang Bac, Assessing the correlation between the concentrations of HCV core antigen and HCV-RNA, *Ho Chi Minh City Journal of Medicine*, 2020, 24 (2): p16 – 19
  - Nguyen Thi Bang Suong, Nguyen Huu Huy, Nguyen Hoang Bac, Evaluation of EGFR mutations prevalence in non-small-cell lung cancer patients at University Medical Center HCMC, *Ho Chi Minh City Journal of Medicine*, 2020, (24) 2: p126 – 131.
  - Nguyen Thi Bang Suong, Nguyen Huu Huy, Nguyen Hoang Bac, The survey of the rate of high risk pregnancies for noninvasive prenatal testing (NIPT) at University Medical Center HCMC, *Ho Chi Minh City Journal of Medicine*, 2020, 24 (1): p137 – 141.
  - Tran Thi Thu Thao, Nguyen Huu Huy, Le Xuan Truong, et al., Evaluation of diagnostic

performance of alpha-fetoprotein (AFP), AFP-L3% and des-gamma-carboxy prothrombin (DCP) for hepatocellular carcinoma, *Ho Chi Minh City Journal of Medicine*, 2018, 22 (3): p217 – 223

- Nguyen Thi Bang Suong, Nguyen Huu Huy, Le Minh Khoi, Nguyen Trung Tin, Nguyen Hoang Bac, Molecular diagnosis of familial adenomatous polyposis (FAP), *Ho Chi Minh City Journal of Medicine*, 2017, 21 (3): p115 – 119
- Nguyen Thi Bang Suong, Nguyen Huu Huy, Le Thi Huong Lan, Lam Vinh Nien, Le Minh Khoi, Do Van Dung, Application of mlpa and qf-pcr methods for detecting genetic syndromes associated with intellectual disability, *Ho Chi Minh City Journal of Medicine*, 2017, 21 (3): p8 – 16
- Nguyen Huu Huy, Doan Nam Khanh, Le Minh Khoi, Nguyen Thi Bang Suong, Application of multiplex ligation-dependent probe amplification technique for detecting microdeletion of apc gene, *Ho Chi Minh City Journal of Medicine*, 2016, 20 (1): p80 – 85
